Tim's English Adventure

Meet Tim, a happy kid who wanted to learn English. One day, Tim found a colorful book with English words at the library.

Tim opened the book and saw pictures of animals, food, and toys. He learned the names of a cat, a dog, an apple, and a ball.

Tim practiced saying the words every day. He said them to his mom, his dad, and even to his dog, Max. Max wagged his tail, as if he understood!

With his book, Tim learned new words each day. He felt proud when he could say "hello," "goodbye," and "thank you" to people he met.

Tim's English adventure was fun. He knew that learning new words was like discovering a secret code to talk with people from around the world.

And so, Tim kept reading, learning, and smiling big as his English got better and better.

The end.
